## Hook-N-Slice

TOPGOLF | 4050 W COSTCO DR | TUCSON, AZ

**TMC for Children** is gearing up for the 35th Annual Hook-N-Slice Golf Tournament. The tournament has been a huge success in past years attracting more than 200 players. Hosted for the first time at **Tucson's Topgolf on Friday, December 5th**, the proceeds will benefit TMC for Children, Southern Arizona's only **Children's Miracle Network Hospital**.

The tournament at **Topgolf** will be focused on providing local companies with the opportunity to network with other **Tucson Medical Center** supporters, have fun with colleagues while competing against other teams, and learn about our mission to **make an impact for our local children**.

**To learn more about this event, please visit the [TMC Health Foundation's Hook-N-Slice webpage](#).**

As a business leader in our community, we would love to have your organization **join us**. Read on for available opportunities, then reach out with any questions or **sponsorship** commitments.

### Meet our why: Miles, the 2025 TMC for Children Champion Child!

Right after Miles was born, he was diagnosed with a condition called Hirschsprung's disease. This led to a series of over 11 corrective surgeries throughout his 7 year-old life. Through all of these challenges, Miles has made the most out of his stays at TMC for Children and truly embraces the kindness of the staff and hospital resources. Miles is doing great and enjoying video gaming in his free time!
