

Employee Giving Campaign

August 11-29, 2025

THANK YOU

Welcome to the TMC Health Cares Team!

As a valued member of the TMC Health family, you already support our mission every day through your work. Now, as a TMC Health Cares Champion, you can amplify that impact by empowering others to give.

What Is Employee Giving?

An invitation to join thousands of community members & fellow employees who donate to TMC Health. Donations go to the TMC Health Foundation, funding initiatives that benefit patients, staff, and the community while ensuring that health care stays local.

Employee Giving: Why It's Important

- Strengthens a culture of compassion
- Funds critical services and innovation in patient care
- Supports staff wellness and education
- Shows the community we also trust and value TMC Health services

Let's Build a Culture of Giving

This campaign is about more than fundraising—it's about coming together as a team to support the mission we live every day. **THANK YOU** for stepping up. Your leadership helps create a healthier, stronger TMC Health community—from the inside out. Together, we make exceptional health care possible.

EMPLOYEE GIVING

Join the Hour of Power Challenge

We're encouraging all employees to take part in the **Hour of Power!** Give one hour of your pay—just once, per pay period, monthly, or whatever works for you. It's a simple, meaningful way to support TMC Health. Every contribution counts!

How to Make Your Donation:

1. Complete a paper pledge form and return it to the Foundation office located in the Patio Building, or scan and email to leanna.dominguez@tmcaz.com. Paper forms will also be available at each scheduled campaign event.
2. Make a gift online using the QR code to the right.

Incentives for Donating:

- Raffle for PTO!
- Opportunity to win awesome prizes including gift cards, lunch with the Executive of your choice, and more!
- Rounding up in the Cafeteria can earn you free treats!

Win a Pizza Party for Your Unit!

All units that reach 75% participation in this campaign will be entered into a raffle to win one of several pizza parties! It's a fun way to celebrate your team's generosity and commitment to making a difference.

Let's come together to support our community and show the power of giving at TMC Health!

What We Do

The Foundation raises money from the community—including individuals, corporations, and other foundations—to support and improve patient care and TMC Health employees through:

- Innovative technology & equipment
- Scholarships for TMC Health employees
- Capital projects & renovations
- Marks Employee Emergency Need Fund
- And more!

Why It Matters

When we support the TMC Health Foundation—whether through giving, volunteering at our events, or sharing our stories—we're investing in the future of health care in our region. **We're showing our patients, our coworkers, and our community that we believe in the mission we serve.**

Your generosity expands access to health care and improves quality of life for all who call Southern Arizona home. Together, we're building a healthier future—one filled with hope and healing. Thank you for being part of this important work.

How We Help

Children's Miracle Network donors allowed us to purchase a new **NICU Transport Isolette** for helicopter and ambulance transport of premature or critically ill newborns from across the region.

A donation made the TMC Cardiac Cath Lab one of the first in the area to have a **Phillips Epic Cardiac Ultrasound Machine** with 4D ICE and 3D TEE capability.

Donor dollars allowed **Benson Hospital** to purchase a **DEXA scanner** to monitor bone health for patients who now don't need to leave their town to get this important test.

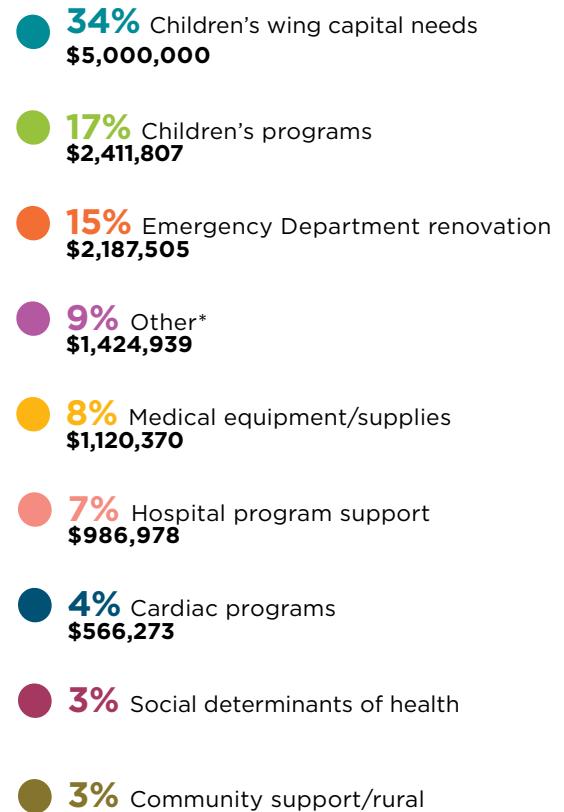

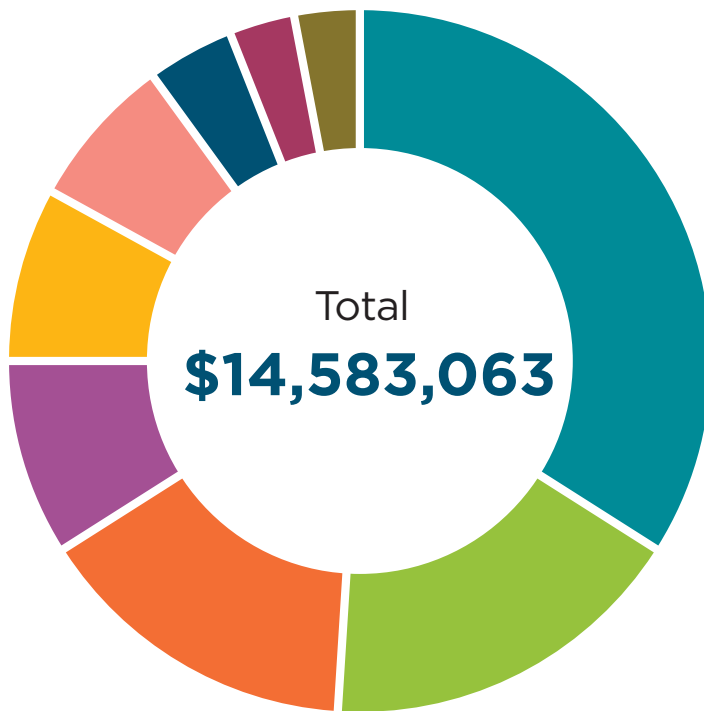

In 2024 we awarded **31 scholarships totaling \$215,302.85** to **TMC Health employees** pursuing degrees, professional certifications, and higher education to advance their healthcare careers.

TMC Health Foundation 2024 support funding

TMC Health Foundation revenues are generated through generous contributions from individual donors, business partners, corporate and family foundations, donor-advised funds, IRA distributions, bequests, and other estate gifts.

*Other includes support of 2% or less for: hospice programs; Rich With Life Park capital needs; employee scholarships, training, and assistance programs; women's health programs; and Healing Arts.
