

2026 AZCHER MEDICAL RESPONSE SURGE EXERCISE (VIRTUAL)

Central region

April 1, 2026
9 a.m. - 2 p.m.

Southern region

April 8, 2026
9 a.m. - 2 p.m.

Northern region

April 28, 2026
9 a.m. - 2 p.m.

Western region

April 29, 2026
9 a.m. - 2 p.m.

Enhance your preparedness

Assess and improve your ability to manage a 10% patient surge during large-scale events, ensuring your facility is ready for any emergency.

Foster collaboration

Strengthen relationships with other healthcare providers and coalition members, promoting a unified and effective approach to emergency preparedness.

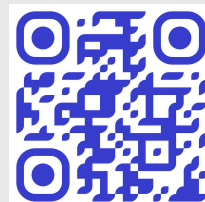

Identify and address gaps

Discover and address any gaps in your response capabilities, ensuring your facility is fully prepared for system-wide disruptions.

RECOMMENDED PARTICIPANTS

- Acute Care Hospitals
- Critical Access Hospitals
- Behavior Health Hospitals
- Long term care facilities
- Arizona Coalition Healthcare of Emergency Response (AzCHER)
- State, Tribal & County Emergency Management and Public Health departments
- Emergency medical services
- Transfer Centers
